Visit the IQRF Summit 2017 and Touch the real IoT

Come to discover **IQRF Ecosystem** that will enable you to **quickly integrate large portfolio of interoperable wireless products and solutions**. Get inspired, find new business opportunities, learn technical features, talk to top professionals and touch the real IoT products and solutions.

IQRF Summit 2017 gives you complex picture of your IoT opportunities.
Date: June 7th to 8th, 2017
Location: Clarion Congress Hotel Prague
Registration: http://www.iqrf.org/summit2017/registration
http://www.iqrfalliance.org/

Preliminary agenda

Day 1 (June 7th, 2017)

Block	Time	Presentation	Company	Presenter
		Wednesday June 7th		
	8:30	Registration		
KEY NOTES	9:00	Get global with IQRF	MICRORISC	Vladimír Šulc CEO
	9:20	How to build up your IoT project simply and cost effectively	IQRF Alliance	Šimon Chudoba CEO
	9:40	New indoor and outdoor IQRF gateway based on UP boards (+ TCP Pisek a Tesla Blatna)	AAEON Europe	Fabrizio del Maffeo Managing Director
	10:00	Microsoft Azure connected to IQRF for large IoT projects	Microsoft	Jan Pospíšil Sr. Technology Evangelist
	10:20	Support for Microsoft Azure	VPGC	Vjaceslav Petrasevskij CEO
	10:30	Heathy school project: is school environment really healthy for our kids?	O2 + Protronix	Radek Žert Senior Presales Consultant
	10:50	Positioning of IQRF on the current and future telecommunication market	CETIN	Dominik Horský Business Development Manager
	11:10	Picture + Lunch Break		
Smart Building	12:10	Great opportunity: Poly-functional building of 70 000 m2 with IQRF	ASID	Viktor Baker CEO
	12:30	Smart sanitary electronics as a part of IoT	Sanela	Radomír Ambrož CEO
	12:50	Flexible indoor heating solution	Austyn International	Zdeno Boška CEO
	13:10	Coffee Break		
	13:50	Networked power sockets: How to monitor & control power sockets for 230V from the LAN, WiFi or IQRF networks	Netio products	Jan Řehák CEO
	14:10	Street and indoor lighting projects	DATmoLUX	Štefan Kormaňák Sales Representative
	14:30	Industrial automation and intelligent buildings	Teco	Jaromír Klaban Comertial Director
	14:50	Coffee Break		
Industry 4.0	15:30	ALIS - localization and safety monitoring system	Aledo	Michal Růžička Technical Director
	15:50	IQRF technology in the world of an industrial automation, focused mainly on projects of Industry 4.0 like condition monitoring and predictive maintenance	Foxon	Jaromír Růžička CEO
	16:10	Hand-held air tools as part of IoT thanks to IQRF and energy harvesting	Deprag + CIS	Jiří Kotyška Director
	16:30	FabLab Brno - digital fabrication facility open for everyone	JIC	Tomáš Mejzlík
NETWORKING	16:50	Break		
	19:00	Networking dinner		
	21:00	Simon & Garfunkel revival concert	Groovey	

Networking Event

We would like to invite you for dinner to the traditional Czech tavern.

Address: Hospůdka Na Radnici, Sokolovská 324/14, Praha 9

When: June 7th, 2017, 19:00 – 22:00.

Enjoy the joint networking and build your business.

Concert of duo Groovey: Excellent revival of Simon & Garfunkel
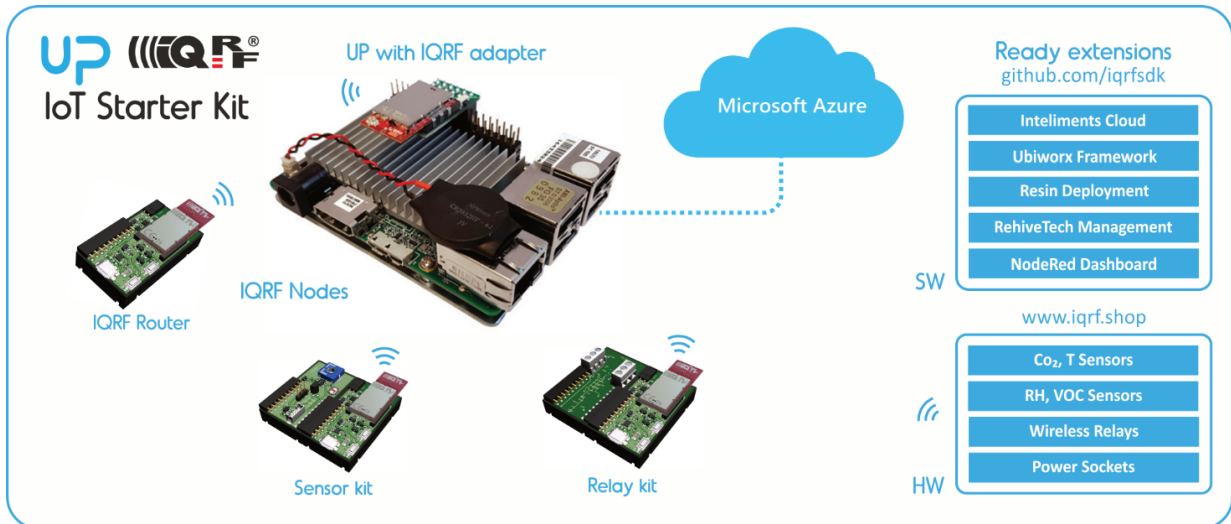

Day 2 (June 8th, 2017)

		Thursday June 8th		
Block	**Time**	**Presentation**	**Company**	**Presenter / Chairman**
	8:30	Registration		
Smart City	9:40	Smart Street parking projects	CITIQ	Martin Pípa CEO
	10:00	Street parking in Budapest	Makesense	Balogh Ferenc Managing Director
	10:20	IQRF street lighting in Bulgaria	Dazzle Light	Zlatko Zlatkov Manager
	10:40	IQRF Smart School, IQRF Wireless Challenge winner anouncement	MICRORISC	Ivona Spurná Project Manager
	11:00	IQRF Wireless Challenge Winner Presenation	Winning company	Winner
	11:20	Lunch Break		
Standardization	12:20	IQRF.zone	MICRORISC	Vladimír Šulc CEO
	12:50	IQRF Standardization	MICRORISC	Hynek Syrovátka CTO
	13:20	IoT Starter Kit + IQRF Daemon	MICRORISC	Rostislav Špinar
	13:40	IQRF GWs and routers for consumer market	Zyxel	Chinru Lin Vice President
	14:00	Coffee Break		
SW for IQRF	14:40	Remote management of IQRF gateways by RehiveTech Management System	RehiveTech	Josef Hájek co-founder and leading manager
	15:00	Mobile app for IQRF	Master Internet	Filip Špaček COO
	15:20	Eco System: How to use Gateways, Sensors and Actuators in one wireless network. LinkIt! - Finding way how to manage gateways and IQRF networks over MQTT protocol	IQ Home	Jozsef Kopjak CEO
	15:40	IQRF Summit Recap + invitation to other evetnts	IQRF Alliance	Simon Chudoba CEO
	15:50	Coffee Break		

Iot Starter Kit Workshop

There will be a workshop focused on IoT Starter Kit and its HW and SW extensions running simultaneously with presentations on the main stage. There will be 6 working stations with ready HW and experienced IQRF technician.

Agenda

- Build up an IQRF Network
- Install and configure IQRF Daemon on UP board
- Set up Microsoft Azure and connect it to the GW
- Set up visualization and control with Node-RED
- Connect interoperable IQRF devices – CO2, humidity and temperature sensors
- Manage your GW remotely with RehiveTech Management System
- Link your GW to Inteliglue platform

IoT Starter Kit Workshop

Day 1 - 7th June 2017

Time	Topic	Company	Presenter/Chairman
12:00	Build up your IQRF network with DS-IOT-01 Connect IQRF Interoperable HW	MICRORISC	Jaromir Mastik IQRF Support
13:00	Lunch Break		
13:40	Instal and configure IQRF Daemon	MICRORISC	Rostislav Špinar IQRF SDK Manager
14:40	Coffee Break		
15:20	Connect IoT Starter Kit to MS Azure	Microsoft	Jan Pospíšil Sr. Technology Evangelist
16:20	Short Break		
16:30	Connect IoT Starter Kit to Node-RED	JoTio	Zdeněk Kolář & Vojtěch Novák Developers

Day 2 - 8th June 2017

Time	Presentation	Company	Presenter/Chairman
9:00	Connect Node-RED to IBM Bluemix	IBM	Adéla Mikschiková
9:30	Instal Rehivetech Management System	Rehivetech	Josef Hájek co-founder
10:00	Short Break		
10:10	Connect IoT Starter Kit to Inteliglue	Inteliments	Tomáš Půza
10:40	IQ Home Ecosytem	IQ Home	Jozsef Kopjak
